# Tenth Annual HOOKED on Shelter Fishing Derby

1. Entrants must follow all provincial angling regulations pertaining to the Red River from Lockport to the mouth of the lake. If a tournament official should find an entrant fishing in violation of these regulations, that person will be disqualified from the tournament.
2. Fishing hours are from 8:30 a.m. till 3:00 p.m. Wed. Sept. 21/2016 and will leave out of Selkirk Park in Selkirk, Manitoba. You can pick up your official weigh-in forms at that time and location. Tournament organizers will be at the Selkirk launch before 8:00 am. Anyone seen fishing prior to 8:30 am will be disqualified. If you want to come fishing but don't have a boat contact us early and we may be able to find a spot for you in one.
3. Although we refer to a weigh-in sheet, trophy prizes are based on length not weight.
4. At the end of the day each entrant must present their official weigh-in sheet to one of our officials at the dock at Selkirk. It is the responsibility of the entrant to make sure that their weigh-in sheet is turned in to the officials at the dock by 3:00 pm that day. No weigh-in sheets will be accepted after that time. The entrant will still be eligible for draw prizes but not the weigh-in prizes. Prizes will be given and drawn for at the indoor AG Building at Selkirk Park.  
**NOTE! NO ALCOHOL OF ANY KIND WILL BE ALLOWED DURING THE DERBY OR AT THE PRIZE PRESENTATION!**
5. Entrants will be able to count, for weigh-in, up to 3 walleye/sauger, 3 bass and 3 catfish. When a fish is caught, measure the length of the fish and write this on your weigh-in sheet in **centimeters** under the fish categories. To qualify, fish must be brought into the boat to count. Filling out a sheet without actually having caught a fish will result in disqualification.
6. Entrants may fish from boats launched at Selkirk Park or from any other boat launch between Lockport and Netley Creek, or from shore.
7. The intent of the derby is to promote good angling practices, good sportsmanship, as well as providing funds for worthy causes. Please only write down lengths for fish that have actually been brought into the boat. There will be many draw prizes whether you have caught a fish or not. In the event of any disputes by derby entrants, a final and binding decision will be made by the judge(s) appointed.
8. It is mandatory that every entrant fishing in a boat must be in possession of a certified and presumably appropriately fitting life jacket and a current Manitoba sport-fishing license.

Upon entering the derby, the undersigned waives any and all claims against the derby organizers, volunteers, sponsors, and prize donors for any loss, theft, or damage to any personal property as well as for any injury or the accidental demise of any entrants in the derby.
