

Subject: MREA Online Education – Updated Account Info

Dear Registrant,

MREA recently experienced technical issues with the single sign-on system for MREA's online education site. As a result, the MREA has made changes to your login credentials for MREA Online Education. You will no longer be able to use your Keystone Matrix user ID and password to access the system. Instead, use the follow information to log in:

Go to the website: mreaonlineeducation.myabsorb.com

Username = [your email address registered with MREA]

Temporary password = password1234

**If you are unable to log in double check the following:

1. Did you write out the entire temporary password (including the word password)?
2. Is your caps lock turned on? Passwords are case sensitive.
3. Are you using the correct email address? Try another if you are not certain.

The first time you log in, you will be asked to reset your password for the site. You will then be required to log in using your new password. You may then be asked to agree to Terms of Use.

Once you are logged in, your profile will look and act the same as it did before if you previously used the Keystone Matrix login page. Please select the My Courses or Catalogue buttons to access MREA's online courses.

Please contact MREA by phone at 204-772-0405 or by email at rle@mrea.mb.ca if you have any questions or issues accessing the site using the details noted above.

Thank you,

MREA Education Department
