Note: Individuals considering taking the *Principles of Property Management – Manager* course need to be aware that *The Real Estate Services Act*, which is administered by The Manitoba Securities Commission (MSC), requires that persons applying to register as a property management manager or supervisor have obtained 24 months of experience as a registered property management representative in the 36-month period prior to applying for registration. The MREA cannot assess or verify if a student's past experience/current placement satisfies the MSC's 24-month experience requirement. Approval of licensing applications is at the sole discretion of the MSC. Completion of this course is not a guarantee that students will be granted a license as a property management manager or supervisor.
